SECTION 3. LEASE OF LOTS. Any Lease Agreement between an Owner and a lessee for the lease of such Owner's Lot shall provide that the terms of the Lease shall be subject in all respects to the provisions of this Declaration of Covenants, Conditions, and Restrictions, the Articles of Incorporation and Bylaws of the Association and that any failure by the lessee to comply with the terms of such documents shall be a default under the terms of the lease. All leases of Lots shall be in writing. The minimum term of a Lease Agreement between Owner and a lessee shall be 180 days. Other than the foregoing there is no restriction on the right of the Declarant or any Owner to lease his Lot.

SECTION 1. MEMBERSHIP. Every person or entity who or which is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including Declarant and any affiliated entity, shall be a voting Member of the Association. The foregoing is not intended to include persons or entities that hold an interest in a Lot merely as security for the performance of an obligation. Such Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. On all matters which the Membership shall be entitled to vote, the Member(s) owning each Lot shall be entitled to one (1) vote, except as provided in

Article III, Section 2. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

SECTION 2. CLASSES OF MEMBERSHIP. The Association shall have two classes of voting membership:

Class A: The Class A Members shall be every person or entity who or which is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, except for Declarant or any affiliated entity, during any Period of Declarant Control. Class A Members shall be entitled to one (1) vote for each Lot owned.

Class B: Declarant shall be the Class B Member and Declarant shall be entitled to five (5) votes for each Lot shown on the Master Plan as developed or to be developed as a part of Parker's View at Bethel Ridge which has not been conveyed by Declarant or any affiliated entity to a Class A Member. The Class B membership shall cease and be converted to Class A membership on the earlier of:

(a) When the total votes outstanding in the Class A membership equal or exceed the total votes outstanding in the Class B membership; however, the Class B membership shall be reinstated if thereafter, and before the time stated in subparagraph (ii) below, the Master Plan is amended to add additional lots developed or to be developed as a part of Parker's View at Bethel Ridge sufficient to give the Class B membership a total number of votes (with the Class B membership entitled to five (5) votes for each lot shown on the Master Plan as developed as a part of Parker's View at Bethel Ridge which has not been conveyed by Declarant or an affiliate of Declarant to a Class A Member) greater than those of the Class A membership; or

(b) Ten (10) years from the date this Declaration is recorded in the Office of the Register of Deeds of Guilford County, North Carolina.

SECTION 3. DECLARANT RIGHT TO REPRESENTATION ON THE EXECUTIVE BOARD OF THE ASSOCIATION. During any Period of Declarant Control, Declarant shall have the right to designate and select all of the persons who shall serve as members of each Executive Board of the Association. Except as otherwise provided in the Bylaws with respect to the filling of vacancies, any members of the Executive Board which Declarant is not entitled to designate or select shall be elected by the Members of the Association.

Whenever Declarant shall be entitled to designate and select any person or persons to serve on any Executive Board of the Association, the manner in which such person or persons shall be designated shall be as provided in the Articles of Incorporation and/or Bylaws of the Association, and Declarant shall have the right to remove any person or persons selected by it to act and serve in the place of any member or members of the Executive Board so removed for the remainder of the unexpired term of any member or members of the Executive Board so removed. Any Executive Board member designated and selected by Declarant need not be a resident of the Properties or an Owner of a Lot.

Any representative of Declarant serving on the Executive Board of the Association shall not be required to disqualify himself from any vote upon any contract or matter between the Declarant and the Association where Declarant may have a pecuniary or other interest. Similarly, Declarant as a Member of the Association shall not be required to disqualify itself upon any contract or matter between the Declarant and the Association where Declarant may have a pecuniary or other interest.

#### **ARTICLE IV**

#### **COVENANT FOR MAINTENANCE AND ASSESSMENTS**

**SECTION 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS.** The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner for any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay: (a) to the Association; (i) annual and other assessments and charges provided for herein, together with interest and late fees, costs and reasonable attorney's fees; (ii) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided; and (b) to the appropriate governmental taxing authority: (i) a pro rata share of ad valorem taxes levied against the Common Elements; and (ii) a pro rata share of assessments for public improvements to or for the benefit of the Common Elements if the Association shall default in the payment of either or both for a period of six (6) months. All assessments and charges provided for herein, together with interest, any late fees, costs and reasonable attorney's fees, shall be a charge on the land and shall constitute a continuing lien upon the property against which each such assessment is made when a claim of lien is filed of record in the Office of the Clerk of Superior Court, Guilford County, North Carolina. Each such assessment and charge, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessment shall not pass to his successors in title unless expressly assumed by them.

#### **SECTION 2. PURPOSE OF ASSESSMENTS.**

(a) The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Elements, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Common Elements; the maintenance of greenway elements and easements, stream and sewer drainage easements, and sanitary sewer easements and the maintenance of open spaces and streets which have not been accepted for dedication for public authority, road medians and islands (including medians and islands located in dedicated rights-of-way within the Properties), drives and parking areas within the Common Elements; the procurement and maintenance of liability insurance in

accordance with the Bylaws; the maintenance of dams and ponds, including retention or detention ponds, or other bodies of water, if any, located within the Common Elements; the maintenance of entrance ways, landscaping and lighting of Common Elements, road medians and islands and entrance ways; the cost of operating, maintaining and repairing any street lights erected by the Association or the Declarant in the rights-of-way of streets (whether public or private) or in any other easement provided therefor within the Properties; the maintenance of mailbox clusters erected by the Declarant or the Association (all mail will be delivered to the mailbox clusters); the maintenance of monuments and signs erected by the Declarant or the Association; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements, without limiting the generality of the foregoing, paving, and any other major expenses for which the Association is responsible; and such other needs as may arise.

(b) The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Elements and those other portions of the Properties which the Association may be obligated to maintain. Such reserve fund is to be established out of regular assessments for common expense.

(c) All monies collected by the Association shall be treated as separate property of the Association, and such monies may be applied by the Association to the payment of any expenses of operating and managing the Properties, or to the proper undertaking of all acts and duties imposed upon the Association by virtue of this Declaration, the Articles of Incorporation and the Bylaws of the Association. As monies for any assessment are paid to the Association by any Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom shall be held for the benefit of the Members of the Association, no Member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Lot. When the Owner shall cease to be a Member of the Association by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Properties.

### SECTION 3. ADOPTION OF BUDGET AND FIXING OF ANNUAL ASSESSMENTS; MAXIMUM ANNUAL ASSESSMENT.

(a) At least thirty (30) days in advance of each annual assessment period, the Executive Board shall establish an annual budget and fix the amount of the annual assessment in advance for the following year. Within thirty (30) days of the adoption of any proposed budget, the Executive Board shall provide to all of the Owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. In establishing such annual budget, and in fixing the amount of such

annual assessments, the Executive Board, in its direction, may consider other sources of funds available to the Association, including, without limitation, any subsidy by the Declarant, which subsidy, in the sole discretion of Declarant, may be in the form of a contribution, an advance against future assessments due, or a loan, with or without interest at market rate. Any such subsidy or contribution in the nature thereof shall be disclosed as a line item in the budget. The payment of any such subsidy in any year shall under no circumstances obligate Declarant to continue payment of such subsidy in future years. The Executive Board shall set a date for a meeting of the Owners to consider ratification of the budget; such meeting to be held not less than ten (10) nor more than sixty (60) days after mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless at that meeting the Owners of a majority of the Lots reject the budget. In the event that the proposed budget is rejected, the periodic budget last ratified by the Owners shall be continued until such time as the Owners ratify a subsequent budget proposed by the Executive Board.

(b) Until December 31<sup>st</sup> of the year in which this Declaration is recorded, the maximum annual assessment shall be Four Hundred Dollars (\$400.00) per Lot for Lots sold to a third party other than the Declarant. For Lots owned by the Declarant, the maximum annual assessment shall be One Hundred Dollars (\$100.00) per lot. The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter shall be established by the Executive Board and may be increased by the Executive Board without approval by the membership by an amount not to exceed ten percent (10%) of the maximum annual assessment of the previous year. The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter may be increased without limit by a vote of the Members entitled to cast at least two-thirds (2/3) of the votes of each class of Members of the Association who are voting, in person or by proxy, at a meeting duly called for this purpose; however, during any Period of Declarant Control, Declarant must also consent to such action.

(c) The Executive Board may fix the annual assessment at an amount not in excess of the maximum, subject to the provisions of Section 6 of this Article.

SECTION 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment for the purpose of defraying in whole or in part the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of the Members entitled to cast at least two-thirds (2/3) of the votes of each class of Members of the Association who are voting, in person or by proxy, at a meeting duly called for this purpose; provided, however, during the Period of Declarant Control, Declarant must also consent to such action. All special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or semi-annual basis, as determined by the Members approving such assessments.

SECTION 5. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 3 AND 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 and 4 of this Article shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast twenty percent (20%) of all the votes of each class of Members of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 6. RATE OF ANNUAL ASSESSMENT. Both annual and special assessments must be fixed at a uniform rate for all Lots; provided, however, that so long as any Lot is owned by Declarant or assignee of Declarant's development rights, Declarant or its assignee may pay, in lieu of such assessment, a subsidy with respect to such Lot as provided in Section 3 of this Article.

SECTION 7. DATE AND COMMENCEMENT OF ANNUAL ASSESSMENTS: DUE DATES. The annual assessments provided for herein shall commence as to a Lot on the first day of the month following: (i) the date such Lot is conveyed to other than Declarant or an assignee of Declarant's development rights; or (ii) the first day of the month following commencement of construction of a residence by the Declarant on a Lot owned by the Declarant. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The due dates shall be established by the Executive Board. Annual assessments may be collected on a monthly, quarterly, semi-annual or annual basis, as determined by the Association's Executive Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

SECTION 8. WORKING CAPITAL ASSESSMENTS. In addition to the annual assessments authorized above, at the time of the closing of the first sale of each Lot to a party other than an assignee of Declarant's development rights or the commencement of construction of a residence by the Declarant on a Lot owned by the Declarant, the purchaser(s) or Declarant thereof shall pay to the Association Fifty Dollars (\$50.00). Such funds shall be used by the Association to establish a Working Capital Fund, the purpose of which is to insure that the Association will have sufficient monies available to meet its initial operational needs. No such payments made into the Working Capital Fund shall be considered an advance or current payment of regular assessments. All monies paid into the Working Capital Fund shall be held and administered by the Association in accordance with the terms of this Declaration and the Association Bylaws.

SECTION 9. EFFECT OF NONPAYMENT OF ASSESSMENTS: REMEDIES OF THE ASSOCIATION. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at a rate from time to time established by the Association not to exceed eighteen (18%) per annum. In addition, the Association may charge a reasonable late fee,

the amount of which shall be the maximum amount allowed by Statute. For assessments not paid within thirty (30) days after the due date and after notice and an opportunity to be heard, the Association may suspend privileges or services provided by the Association (except rights to access Lots) during any period that assessments or other amounts due and owing to the Association remain unpaid for a period of thirty (30) days or longer, which suspension may continue without further hearing until the delinquency is cured. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien created herein against the property in the same manner as prescribed by the laws of the State of North Carolina for the foreclosure of a mortgage or deed of trust on real estate under power of sale, and interest, costs and reasonable attorney's fees for representation of the Association in such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the Common Elements or abandonment of his Lot nor shall damage to or destruction of any improvements on any Lot by fire or other casualty result in any abatement or diminution of the assessments provided for herein.

SECTION 10. EFFECT OF DEFAULT IN PAYMENT OF AD VALOREM TAXES OR ASSESSMENTS FOR PUBLIC IMPROVEMENTS BY ASSOCIATION. Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Elements or assessments for public improvements to the Common Elements, which default shall continue for a period of six (6) months, each Owner of a Lot shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Lots in the development. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the lot of the then Owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the Owner.

SECTION 11. FORECLOSURE OF FIRST MORTGAGES. When the holder of a first mortgage or first deed of trust of record, or other purchaser of a Lot, obtains title to the Lot as a result of foreclosure of a first mortgage or first deed of trust or deed in lieu of foreclosure, such purchasers and its heirs, successors and assigns, shall not be liable for the assessments against such Lot which became due prior to the acquisition of title by such purchaser. Such unpaid assessments shall be deemed to be common expenses collectible from all Owners, including such purchaser, its heirs, successors and assigns. Such sale or transfer of any Lot which is subject to any such first mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which became due prior to such sale or transfer; provided, however, no such sale or transfer shall relieve such Lot or the Owner thereof from liability for any assessments thereafter becoming due or from the lien thereof.

SECTION 12. EXEMPT PROPERTY. All property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from

taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

## **ARTICLE V**

### **ARCHITECTURAL CONTROL**

**SECTION 1. IMPROVEMENTS.** No improvements, alteration, repair, change in paint color, excavation, change in grade, planting, landscaping or other work which in any way alters the exterior of any Lot or the improvements located thereon from their natural or improved state existing on the date such Lot was first conveyed in fee by the Declarant to an Owner other than Declarant or an affiliate of Declarant shall be commenced, erected or maintained upon any Lot and no building, fence, wall, residence or other structure or planting or landscaping shall be commenced, erected, maintained, improved, altered or removed until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant, Executive Board or by an architectural committee composed of three (3) or more representatives appointed by the Executive Board (the "Architectural Control Committee"). Notwithstanding the foregoing, landscaping improvements consisting of plant materials native to the area and commonly used in residential landscaping which do not interfere with the sight lines of motorists at intersections of the streets and/or driveways located within the Properties shall not require approval by the Executive Board or the Architectural Control Committee. Further, nothing herein contained shall prevent or interfere with the right of the Declarant to improve and develop the Properties, including the Lots, as Declarant chooses, so long as said development follows the general plan of development of the Properties previously approved by the appropriate local governmental authority. Accordingly, Declarant need not seek or obtain the approval of the Architectural Control Committee for improvements erected on the Properties by or at the direction of Declarant. In addition, until completion of construction on all houses located in the subdivision, Declarant may approve any plans and specifications rejected by the Executive Board or the Architectural Control Committee for the construction or alteration of improvements on any Lot provided the construction or alteration approved by Declarant comports with the general scheme of development approved by Guilford County or other appropriate local governmental authority. Such approval by Declarant shall operate and have the same effect as approval by the Executive Board or the Architectural Control Committee.

### **SECTION 2. PROCEDURES.**

(a) Any person desiring to make any improvement, alteration or change described in Section 1 above shall submit the plans and specifications therefor, showing the nature, kind, shape, height, materials and location of the same, to the Declarant, Executive Board of the Association or the Architectural Control Committee which shall evaluate such plans and specifications in light of the purposes of this Article.

(b) Upon approval by the Declarant, Executive Board, or Architectural Control Committee of

any plans and specifications submitted pursuant to this Declaration, a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Declarant, Executive Board or Architectural Control Committee and a copy of such plans and specific action bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot of any plans and specifications shall not be deemed a waiver of the Declarant, Executive Board or Architectural Control Committee's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein of such plans, specifications, features or elements that are subsequently submitted for use in connection with any other Lot. Approval of such plans and specifications relating to any Lot, however, shall be final as to that Lot and such approval may not be reviewed or rescinded thereafter, provided that there has been adherence to and compliance with, such plans and specifications, as approved. The Association may require that the Owner(s) requesting any change or improvement under this Article be liable for any cost of maintaining, repairing and insuring the approved alteration. If such condition is imposed, the Owner(s) shall evidence consent thereto by a written document in recordable form satisfactory to the Association. Thereafter, the Owner(s), and any subsequent Owner(s) of the Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, are deemed to covenant and agree that the cost of maintaining, repairing and insuring such alteration shall be a part of the annual assessment or charge set forth herein, and subject to the lien rights described herein.

Neither Declarant, nor any other member of the Association's Executive Board or Architectural Control Committee, shall be responsible or liable in any way for any defects in any plans or specifications approved by them, nor for any structural defects in any work done according to such plans and specifications. Further, neither Declarant, nor any member of the Association's Executive Board or Architectural Control Committee, shall be liable in damages to anyone by reason of mistake in judgment, negligence, misfeasance, malfeasance or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications or the exercise of any other power or right provided for in this Declaration. Every person who submits plans or specifications for approval agrees, by submission of such plans and specifications, and every owner of any Lot agrees, that he or she will not bring any action or suit against Declarant, or any member of the Association's Executive Board or Architectural Control Committee, to recover any such damage.

In the event that the Owner neglects or fails to maintain his or her improved Lot and/or the exterior of his or her dwelling and other structures in a manner with other improved Lots and dwellings within the Properties or fails to maintain his or her improved Lot in a safe condition and free of debris, the Association may provide such exterior maintenance. Provided, however, that the Association shall first give written notice to the Owner of the specific items of exterior maintenance or repair the

Association intends to perform and the Owner shall have twenty (20) days from the date of mailing of said notice within which to perform such exterior maintenance himself or herself. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access over and upon each Lot at all reasonable times to perform maintenance as provided in this Article VI, Section 1. In the event the Association performs such exterior maintenance, repair or replacement, the cost of such maintenance, replacement or repairs including a reasonable administrative fee of 15% of the cost, shall be added to and become a part of the assessment to which such Lot is subject.

The Association shall be responsible for the maintenance of the off-site septic field located on the Common Elements and shall maintain and repair all septic lines located within the dedicated utility easements which serve the off-site septic field. The Association shall comply with all state and local ordinances and regulations regarding the maintenance of the off-site field and fines, including all required inspections and mowing of vegetation. The Owner of any Lot which is served by an off-site septic system shall be solely responsible for all maintenance and repair of that portion of the septic system, including the septic tank, pump and lines, located on the Owner's Lot to the point in which the septic line enters the dedicated utility easement on the Owner's Lot. In the event of the failure of any off-site septic field, the Owner served by such off-site septic field shall be responsible, at their sole cost and expense, for the installation of an on-site septic field on the Owner's Lot. The failed off-site septic field shall no longer be utilized for such purpose, but the area in which the failed off-site septic field is located shall remain a Common Element and Open Space to be maintained and regulated by the Association.

In the event that an Owner neglects or fails to remove any such decorations at the request of the Executive Board or the Architectural Control Committee, the Association may provide for such removal. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association that right to unobstructed access over and upon each Lot at all reasonable times for such purpose and the cost of such removal shall be added to and become a part of the assessment to which such Lot is subject. In no event shall seasonal decorations remain upon a Lot more than two (2) weeks following the holiday or event with which decorations are associated.

## **ARTICLE VIII** **EASEMENTS**

**SECTION 1. UTILITY AND DRAINAGE EASEMENTS.** Easements for installation and maintenance of utilities (including cable television service) and drainage facilities are reserved as indicated on recorded plats. In addition, Declarant reserves, for itself and on behalf of the Association, additional easements and rights-of-way for the installation and maintenance of utilities (including cable television service) and drainage facilities over the rear fifteen (15) feet of any Lot and over each side FIVE (5) feet on any Lot. Within these easements no structures, planting or other material shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the drainage easements, or which may obstruct or retard the flow of water through drainage channels in the easements. An easement is hereby established for the benefit of the appropriate governmental entity (and any other person or firm providing services to the Properties under agreement with or at the direction of the Association) over all Common Elements as may be reasonably necessary for the setting, removal and reading of water meters, and the maintenance and replacement of water and off-site septic pump lines, sewer and drainage facilities, and for the fighting of fires and collection of garbage. The Association shall have the power and the authority to grant and establish upon, over and across the Common Elements such additional easements as are necessary or desirable for the providing of service or utilities to the Common Elements or Lots.

**SECTION 2. SIGN EASEMENTS.** Declarant and the Association shall each have the right to erect within the Common Elements subdivision signs and landscaping and lighting surrounding same. In addition, easements for the maintenance of subdivision signs and landscaping and lighting surrounding same are reserved as indicated on recorded plats. Declarant hereby reserves unto itself and grants, gives and conveys to the Association a perpetual, nonexclusive easement over the portion of Lots designated as "sign easements" on the plats of the Properties, now or hereafter recorded, to place, maintain, repair and replace subdivision signs and the lighting fixtures and landscaping surrounding same. The Association shall be responsible for maintaining, repairing and replacing any such signs, landscaping and lighting and the costs of such maintenance, repair and replacement shall be part of the common expenses of the Association, payable by the Owners as set out in Article IV hereof. In addition, Declarant, for so long as Declarant owns any lot shown on the Master Plan as that plan is from time to time amended and approved, shall have the right to erect and maintain within the Common

Elements and on those portions of any Lot designated "sign easement" signs advertising and promoting the sale and/or leasing of lots and dwellings within the Properties. As to the easements reserved and granted above with respect to those portions of Lots designated "sign easement," Declarant hereby reserves unto itself and gives, grants and conveys to the Association the right of ingress, egress and regress over other portions of such Lots as shall be reasonably necessary to effectuate the purposes stated above. The easements hereby granted shall run with the land in perpetuity and be binding upon and inure to the benefit of all persons and entities now owning or subsequently acquiring all or a part of the Property.

SECTION 3. EASEMENT RESERVED BY DECLARANT. Declarant hereby reserves such easements on, across and over the Common Elements as shall be reasonably necessary for (i) the exercise by Declarant of any right herein reserved, including, without limitation, Declarant's right, should Declarant elect, to annex the Additional Property, as hereinafter defined and (ii) the development by Declarant, its successors or assigns, of the Additional Property, should Declarant elect not to annex the Additional Property, including, without limitation, easements for ingress, egress and regress over private roads and streets now or hereafter erected on the Properties and easements for the use of utility lines, fixtures and/or their connections located within the Common Elements for the purpose of providing water, light, power, telephone, sewage and sanitary service to the Additional Property.

SECTION 4. ADDITIONAL DRAINAGE EASEMENTS. In order to implement effective and adequate erosion control, the Association at the Association's expense shall have the right to enter upon any portion of the Properties before and after improvements have been constructed thereon for the purpose of performing any grading or constructing and maintaining erosion prevention devices; provided, however, no such activities shall interfere with any permanent improvements constructed on the Properties.

SECTION 5. ENCROACHMENTS. In the event that any improvements on a Lot shall encroach upon any Common Elements or upon any other Lot as a result of the initial improvements constructed by Declarant or for any reason not caused by the purposeful or negligent act of the Owner or agents of such Owner, then an easement appurtenant to such Lot shall exist for the continuance of such encroachment upon the Common Elements or other Lot for so long as such encroachment shall naturally exist; and, in the event that any portion of the Common Elements shall encroach upon any Lot, then an easement shall exist for the continuance of such encroachment of the Common Elements into any such Lot for so long as such encroachment shall naturally exist.

## **ARTICLE IX** **RIGHTS RESERVED UNTO INSTITUTIONAL LENDERS**

### **SECTION 1. ENTITIES CONSTITUTING INSTITUTIONAL LENDERS.**

"Institutional Lender" as the term is used herein shall mean and refer to banks, savings and loan associations, insurance companies or other firms or entities customarily affording loans secured by first liens on residences, and eligible insurers and governmental guarantors.

**SECTION 2. OBLIGATION OF ASSOCIATION TO INSTITUTIONAL LENDERS.**

So long as any Institutional Lender shall hold any first lien upon any Lot, or shall be the Owner of any Lot, such Institutional Lender shall have the following rights:

(a) To inspect the books and records of the Association during normal business hours and to be furnished with at least one (1) copy of the annual financial statement and report of the Association prepared by a certified public accountant designated by the Executive Board of the Association, such financial statement or report to be furnished by April 15<sup>th</sup> of each calendar year.

(b) To be given notice by the Association of the call of any meeting of the membership to be held for the purpose of considering any proposed amendment to this Declaration of Covenants, Conditions and Restrictions or the Articles of Incorporation or Bylaws of the Association or of any proposed abandonment or termination of the Association or the effectuation of any decision to terminate professional management of the Association and assume self-management by the Association.

(c) To receive notice of any condemnation or casualty loss affecting the Common Elements or any portion thereof.

(d) To be notified of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.

(e) To have the right to approve of any alienation, release, transfer, hypothecation or other encumbrance of the Common Elements, other than those specific rights vested in the Association under Article II hereof.

(f) To be given notice of any delinquency in the payment of any assessment or charge (which delinquency remains uncured for a period of sixty (60) days) by any Owner owning a Lot encumbered by a mortgage held by the Institutional Lender, such notice to be given in writing and to be sent to the principal office of such Institutional Lender, or to the place which it may designate in writing.

**SECTION 3. REQUIREMENTS OF INSTITUTIONAL LENDER.** Whenever any Institutional Lender desires to avail itself of the provisions of this Article, it shall furnish written notice thereof to the Association by certified mail at the address shown in the Articles of Incorporation identifying the Lot or Lots upon which any such Institutional Lender holds any first lien or identifying any Lot or Lots owned by such Institutional Lender and such notice shall designate the place to which notices, reports or information are to be given by the Association to such Institutional Lender.

**ARTICLE X**  
**GENERAL PROVISIONS**

**SECTION 1. ENFORCEMENT.** The Owner(s) of each Lot shall be governed by and shall comply with the provisions of this Declaration, the Bylaws of the Association and all rules

and regulations of the Association adopted pursuant thereto, as any of the same are now constituted or as they may be amended from time to time. A default or violation of this Declaration, the Bylaws or duly adopted Rules by any Owner shall entitle the Association or the Owner(s) of any of the other Lots to the following relief:

(a) The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, the Bylaws of the Association and all rules and regulations of the Association adopted pursuant thereto. Failure to comply with any of the terms of this Declaration or other restrictions contained in the Bylaws of the Association, or which may be adopted pursuant thereto, shall be grounds for relief, including without limitation, an action to recover sums due for damages, injunctive relief, foreclosure of lien, or any combination thereof. The Association shall have the right to request that law enforcement, public safety and animal control officers come on the Properties to facilitate the enforcement of the laws, codes and ordinances of any governmental authority.

(b) The Association, after notice to the Owner and a reasonable opportunity to be heard, shall have the right to assess reasonable fines against an Owner for violations of this Declaration, the Bylaws of the Association or the Association's published rules and regulations by such Owner, or such Owner's family, guests, invitees and lessees in an amount not to exceed One Hundred and Fifty and no/100 Dollars (\$150.00) for each violation, and without further hearing, for each day after the decision that the violation occurs.

Such fines shall be deemed to be assessments as set forth in Article IV of the Declaration and if not paid within thirty (30) days after notice and demand therefore, the Association shall be entitled to the remedies set forth in the Declaration for the enforcement and collection of delinquent assessments.

(c) The Association, after notice to the Owner and a reasonable opportunity to be heard, shall have the right to suspend privileges or services provided by the Association (except rights of access to Lots) for reasonable periods of violations of this Declaration or the Bylaws, Articles or rules and regulations of the Association. If it is decided that a suspension of privileges or services provided by the Association should be imposed, the suspension may be continued without further hearing until the violation is cured.

(d) If an Owner is legally responsible for damage inflicted on any Common Elements, the Association may direct such Owner to repair such damage, or the Association may itself cause the repairs to be made and recover damages from the responsible Owner. If damage is inflicted on any Lot by an agent of the Association in the scope of the agent's activities as such agent, the Association is liable to repair such damage or to reimburse the Owner for the cost of repairing such damages. The Association shall also be liable for any losses to the Owner. When any such claim for damages against an Owner or the Association is less than or equal to the jurisdictional amount established for small claims by North Carolina General Statutes Section 7A-210, any aggrieved party may request that a hearing be held before an adjudicatory panel appointed by the Executive Board of the Association to determine if an Owner is responsible for damages to any Common Elements or the Association is responsible for damages to any Lot. If the Executive Board fails to appoint an adjudicatory panel to hear such matters, such hearings shall be held

before the Executive Board. Such panel shall accord to the party charged with causing damages notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. This panel may assess liability for each damage incident against each Owner charged or against the Association not in excess of the jurisdictional amount established for small claims by North Carolina General Statutes Section 7A-210. When such claim exceeds the jurisdictional amount established for small claims by North Carolina General Statutes Section 7A-210, liability of any Owner charged or the Association shall be determined as otherwise provided by law and shall be assessments secured by lien under Section 47F-3-116 of the Planned Community Act (as amended from time to time). Liabilities of the Association determined by adjudicatory hearing or as otherwise provided by law may be offset by the Owner against sums owing to the Association and if so offset, shall reduce the amount of any lien of the Association against the Lot at issue.

(e) In any proceeding arising because of an alleged default by an Owner, the Association, if successful, shall be entitled to recover the costs of the proceedings and such reasonable attorneys' fees as may be determined by the Court.

(f) The failure of the Association or any Owner to enforce any right, provision, covenant or condition which may be granted by this Declaration or the other above mentioned documents shall not constitute a waiver of the right of the Association or of the Owner to enforce such right, provision, covenant or condition in the future.

(g) All rights, remedies and privileges granted to the Association or the Owners, pursuant to any terms, provisions, covenants or conditions of the Declaration or other above mentioned documents, shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.

(h) The failure of Declarant to enforce any right, privilege, covenant or condition which may be granted to it by this Declaration or other above mentioned document shall not constitute a waiver of the right of Declarant to thereafter enforce such right, provision, covenant or condition in the future.

SECTION 2. SEVERABILITY. Invalidation of any one of the covenants or restrictions by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

SECTION 3. AMENDMENT. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated or amended as hereinafter provided. This Declaration may be amended with the consent of the Owners entitled to cast at least sixty-seven percent (67%) of the votes of the Association and may be terminated with the consent of the Owners entitled to cast at least eighty percent (80%) of the votes of the Association; provided, however, this Declaration may not be amended or terminated without Declarant's consent during Declarant's Development Period, no amendment purporting to revoke or curtail any right herein conferred to Declarant

shall be effective unless executed by Declarant, and no amendment relating to the maintenance or ownership of any permanent detention or retention pond shall be effective unless reviewed and approved by the governmental office having jurisdiction for watershed protection. Any amendment must: (1) be executed on behalf of the Association by its duly authorized officers; (2) contain an attestation by the officers executing the amendment on behalf of the Association that the requisite Owner approval has been obtained and is evidenced by written acknowledgment(s) signed by the Owners approving the amendment and made a part of the Minute Book of the Association; and (3) be properly recorded in the Office of the Register of Deeds of Guilford County, North Carolina. For the purpose of this section, additions to existing property by Declarant pursuant to Section 4 of this Article shall not constitute an "amendment."

#### SECTION 4. ANNEXATION.

(a) Except as provided in Subsection (b) of this Section 4, additional residential property and Common Elements may be annexed to the Properties only with the consent of the Members entitled to cast two-thirds (2/3) of the votes of the Association who are voting in person or by proxy at a meeting duly called for such purpose; provided, however, during the Period of Declarant Control, Declarant must also consent to such action.

(b) Additional land within the area described in the metes and bounds description attached hereto as Exhibit "A" and incorporated herein by reference, together with any other property located adjacent to the Properties (collectively, the "Additional Property") may be annexed by the Declarant without the consent of Members with ten (10) years of the date of this instrument, provided that, in the event FHA or VA insured loans have been obtained to purchase Lots, FHA and VA determine that the annexation is in accord with the general plan from time to time approved by them. For the purpose of determining whether property is adjacent to the Properties, the rights-of-way public roads and utilities, as well as rivers and streams, shall be deemed not to separate otherwise adjacent property. Declarant shall have no obligation of any kind to annex any or all of the Additional Property and, should Declarant elect to annex all or any portion of the Additional Property, Declarant shall have no obligation of any kind to annex the Additional Property in any particular sequential order. Should Declarant elect to annex all or any portion of the Additional Property and accordingly to subject such property to the terms and conditions of this Declaration, Declarant reserves the right, with regard to all or any part of the Additional Property annexed by Declarant, to make such complementary additions and/or modification of the covenants and restrictions contained in this Declaration (including, without limitation, those contained in Section 2 of Article VII hereof) as Declarant may deem necessary or convenient; provided, however, such additions and/or modifications shall not modify this Declaration with respect to the Properties previously subjected thereto, and, in the event FHA and VA insured loans have been obtained to purchase Lots, FHA and VA determine that any such complimentary additions and/or modifications are in accord with the general plan from time to time approved by them. With regard to any portion of the Additional Property not annexed by Declarant, Declarant makes no representations with regard to the use of such property or the exterior appearance, design, size or intended purpose of any improvements now or hereafter erected on such property.

SECTION 5. FHA/VA APPROVAL. During the Period of Declarant Control, the following actions will require the prior approval of the Federal Housing Administration or the

Department of Veterans Affairs provided that FHA or VA loans have been obtained to purchase Lots: annexation of additional properties, dedication of Common Elements and amendment of this Declaration of Covenants, Conditions and Restrictions or the Articles of Incorporation or the Bylaws of the Association.

SECTION 6 DISPUTES WITH DECLARANT. In the event of a dispute between Declarant and any Owner or the Association, such dispute shall be resolved by the parties first engaging in good faith mediation. If good faith mediation fails to resolve the dispute the parties shall cause the dispute to be submitted to binding arbitration under the Rules of Arbitration set out in N.C.G.S 1-569 et. seq.

SECTION 7. AMPLIFICATION. The Provisions of this Declaration are amplified by the Articles of Incorporation and Bylaws of the Association; but no such amplification shall alter or amend any of the rights or obligations of the Owners set forth in this Declaration. Declarant intends that the provisions of this Declaration on the one hand, and the Articles of Incorporation and Bylaws of the Association on the other be interpreted, construed, and applied to avoid inconsistencies or conflicting results. If such conflict necessarily results, however, Declarant intends that the provisions of this Declaration control anything contained in the Articles of Incorporation or Bylaws of the Association.
