All assessments and charges provided for herein, together with interest, any late fees, costs and reasonable attorney's fees, shall be a charge on the land and shall constitute a continuing lien upon the property against which each such assessment is

made when a claim of lien is filed of record in the Office of the Clerk of Superior Court, Guilford County, North Carolina. Each such assessment and charge, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

SECTION 2. PURPOSE OF ASSESSMENTS.

- (a) The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Elements, including but not limited to the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Common elements; the maintenance of water and sewer mains in and upon the Common Elements; the maintenance of open spaces and streets which have not been accepted for dedication by a public authority, roadway medians and islands (including medians and islands located in dedicated rights-of-way within the Properties), drives and parking areas within the Common Elements; the procurements and maintenance of liability insurance in accordance with the Bylaws; the maintenance of dams and ponds, including retention or detention ponds, or other bodies of water, if any, located within the Common elements; the maintenance of entrance ways landscaping and lighting of Common elements, road medians and islands and entrance ways, the cost of operating, leasing, maintaining and repairing any street lights erected by the Association or the Declarant in the or rights-of-way of streets (whether public or private) or in any other easement provided therefor within the Properties; the payment of charges for garbage collection and municipal water and sewer services furnished to the Common Elements; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving, and any other major expense for which the Association is responsible; and such other needs as may arise.
- (b) The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Elements and other portions of the Properties which the Association may be obligated to maintain. Such reserve fund is to be established out of regular assessments for common expense.
- (c) All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Properties, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the Bylaws of the Association. As monies for any assessment are paid to the Association by any Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom shall be held for the benefit of the Members of the Association, no Member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Lot. When any Owner shall cease to be a Member of the Association by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the

Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be constitute an asset of the Association which may be used in the operation and management of the Properties.

- (a) At least thirty (30) days in advance of each annual assessment period, the Executive Board shall establish an annual budget and fix the amount of the annual assessments in advance for the following year. Within thirty (30) days of the adoption of any proposed budget, the Executive Board shall provide to all the Owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. In establishing such annual budget, and in fixing the amount of such annual assessments, the Executive Board, in its discretion, may consider other sources of funds available to the Association, including, without limitation, any subsidy by the Declarant, which subsidy, in the sole discretion of Declarant, may be in the form of a contribution, an advance against future assessments due, or a loan, with or without interest at market rate. Any such subsidy or contribution in the nature thereof shall be disclosed as a line item in the budget. The payment of any such subsidy in any year shall under no circumstances obligate Declarant to continue payment of such subsidy in future years. The Executive Board shall set a date for a meeting of the Owners to consider ratification of the budget, such meeting to be held not less than 10 nor more than 60 days after mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless at that meeting the Owners of a majority of the Lots reject the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the Owners shall be continued until such time as the Owners ratify a subsequent budget proposed by the Executive Board.
- (b) Until December 31 of the year in which this Declaration is recorded, the maximum annual assessment shall be **Four Hundred and Forty Dollars (\$440.00) per Lot**. The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter shall be established by the Executive Board and may be increased by the Executive Board without approval by the membership by an amount not to exceed ten percent (10%) of the maximum annual assessment of the previous year unless otherwise provided in this Section 3(b). The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter may be increased without limit by a vote of the Members entitled to cast at least two-thirds (2/3) of the votes of each class of Members of the Association who are voting, in person or by proxy, at a meeting duly called for this purpose; provided, however, during any Period of Declarant Control, Declarant must also consent to such action.
- (c) Notwithstanding any provision herein:
- Initial Builders shall pay annual assessments at a rate of One Hundred and No/100 Dollars (\$100.00) per Lot for the first twelve-month period of ownership.
 - Declarant shall be exempt from annual and special assessments.

- (d) The Executive Board may fix the annual assessment at an amount not in excess of the maximum, subject to the provision of Section 6 of this Article.

SECTION 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the annual assessments authorized above, the Association may levy in any calendar year, a special assessment for the purpose of defraying in whole or in part the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements including fixtures and personal property related thereto, provided that any such assessment shall have the ascent of the Members entitled to cast at least two-thirds (2/3) of the votes of each class of Members of the Association who are voting, in person or by proxy, at a meeting duly called for this purpose; provided, however, during the Period of Declarant Control, Declarant must also consent to such action. All special assessments shall be fixed at a uniform rate for all Lots except Initial Builders during the first 12 months which will pay the same percentage as for Annual Assessments and may be collected on a monthly, quarterly or semi-annual basis, as determined by the Members approving such assessments.

SECTION 5. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 3 AND 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 and 4 of this Article shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast twenty percent (20%) of all the votes of each class of Members of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 6. RATE OF ANNUAL ASSESSMENT. Except as otherwise provided in Section 3(b) of this Article IV, both annual and special assessments must be fixed at a uniform rate for all Lots except as to the rates for Initial Builders and Declarant's exemption.

SECTION 7. DATE AND COMMENCEMENT OF ANNUAL ASSESSMENTS: DUE DATES.

The annual assessments provided for herein shall commence as to a Lot on the first day of the month following the date such Lot is conveyed to other than Declarant or an assignee of Declarant's development rights. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The due dates shall be established by the Executive Board. Annual assessments may be collected on a monthly, quarterly, semi-annual, or annual basis, as determined by the Association's Executive Board. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

SECTION 8. WORKING CAPITAL ASSESSMENTS. In addition to the annual assessments authorized above, at the time of the closing of the first sale of each Lot to a party other than an assignee of Declarant's development rights or the Initial Builder, the purchaser(s) thereof shall pay to the Association an amount equal to One Hundred Dollars (\$100) in total. Such funds shall be used by the Association to establish a Working Capital Fund, the purpose of which is to insure that the Association will have sufficient monies available to meet its initial operational needs. No such payments made into the Working Capital Fund shall be considered advance or current payment of regular assessments. All monies paid into Working Capital Fund shall be

held and administered by the Association in accordance with the terms of this Declaration and the Bylaws.

SECTION 9. EFFECT OF NONPAYMENT OF ASSESSMENTS: REMEDIES OF THE ASSOCIATION. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at a rate from time to time established by the Association not to exceed eighteen percent (18%) per annum. In addition, the Association may charge a reasonable late fee, the amount of which shall be established from time to time by the Executive Board of the Association for assessments not paid within thirty (30) days after the due date and after notice and an opportunity to be heard, the Association may suspend privileges or services provided by the Association (except rights of access to Lots) during any period that assessments or other amounts due and owing to the Association remain unpaid for a period of thirty(30) days or longer, which suspension may continue without further hearing until the delinquency is cured. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien created herein against the property in the same manner as prescribed by the laws of the State of North Carolina for the foreclosure of a mortgage or deed of trust on real estate under power of sale, and interest, costs and reasonable attorney's fees for representation of the association in such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessment provided for herein by nonuse of the Common Elements or abandonment of his Lot nor shall damage to or destruction of any improvements on any Lot by fire or other casualty result in any abatement or diminution of the assessments provided for herein.

SECTION 10. EFFECT OF DEFAULT IN PAYMENT OF AD VALOREM TAXES OR ASSESSMENTS FOR PUBLIC IMPROVEMENTS BY ASSOCIATION. Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Elements or assessments for public improvements to the Common Elements, which default shall continue for a period of six (6) months, each Owner of a Lot in the development shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Lots in the development. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the lot of the then Owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the Owner.

SECTION 11. FORECLOSURE OF FIRST MORTGAGES. When the holder of a first mortgage or first deed of trust of record, or other purchaser of a Lot, obtains title to the Lot as a result of foreclosure of a first mortgage or first deed of trust or deed in lieu of foreclosure, such purchaser and its heirs, successors and assigns, shall not be liable for the assessments against such Lot which become due prior to the acquisition of the title to such Lot by such purchaser. Such unpaid assessments shall be deemed to be common expenses collectible from all Owners, including such purchaser, its heirs, successors and assigns. Such sale or transfer of any Lot which is subject to any such first mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which become due prior to such sale or transfer; provided, however, no such sale or transfer shall relieve such Lot or the Owner thereof from liability for any assessments thereafter becoming due or from the lien thereof.

SECTION 12. EXEMPT PROPERTY. All property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from

taxation by the laws of the state of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments. Notwithstanding, Declarant shall be exempt from paying assessments as set forth in this Declaration.

ARTICLE V ARCHITECTURAL CONTROL

SECTION 1. IMPROVEMENTS. No improvements, alteration, repair, change in paint color, excavation change in grade, platting, landscaping or other work which in any way alters the exterior of any Lot or the improvements located thereon from their natural or improved state existing on the date such Lot was first conveyed in fee by the Declarant to an Owner other than Declarant or an affiliate of Declarant shall be commenced, erected or maintained upon any Lot and no building, fence wall, residence, mailbox or other structure or planting or landscaping shall be commenced, erected, maintained, improved, altered or removed until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography.

Prior to issuance of Certificate of Occupancy - Declarant shall have the sole right and obligation to review and approve all initial construction for the dwelling and landscaping upon the Lots up to and through the date the final Certificate of Occupancy is issued by the municipality for initial construction of the dwelling on the Lot.

Upon the issuance of a Certificate of Occupancy – The right and obligation to review and approve subsequent alterations and improvements (as described above) shall be by the Executive Board of the Association or by an architectural committee composed of two (2) or more representatives appointed by the Executive Board (the "Architectural Control Committee")

(For clarification and remove doubt it is expressly stated that the Declarant intends to have sole control over the approvals required under this Article for each Lot until such time as the Certificate of Occupancy is issued. This authority is in addition to and not contingent upon Declarant's Development Period or Period of Declarant Control. The Executive Board of the Association or Architectural control committee shall have approval authority for all subsequent changes to the Lots after the issuance of the Certificate of Occupancy).

All landscaping plans shall include front foundation plantings and HVAC screenings. All other surfaces shall be completed in a horticultural manner in order for erosion and sedimentation to be stabilized. Further, nothing herein contained shall prevent or interfere with the right of Declarant to improve and develop the Properties, including the Lots, as Declarant chooses, so long as said development follows the general plan of development of the Properties previously approved by the appropriate local governmental authority. Accordingly, Declarant need not seek or obtain the approval of the Architectural Control Committee for improvements erected on the Properties by or at the direction of Declarant.

SECTION 2. PROCEDURES.

(a) Any person desiring to make any improvement, alteration or change described in Section I above shall submit the plans and specifications therefor, showing the nature, kind, shape, height, materials and location of the same, to the Executive Board of the Association or

the Architectural Control Committee which shall evaluate such plans and specification in light of the purposes of this Article.

(b) Upon approval by the Architectural Control Committee of any plans and specifications submitted pursuant to this Declaration, a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Control Committee and a copy of such plans and specific action bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot of any plans and specifications shall not be deemed a waiver of the Architectural Control Committee's right, in its discretion, to disapprove similar plans and specification or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot. Approval of any such plans and specifications relating to any Lot, however, shall be final as to that Lot and such approval may not be reviewed or rescinded thereafter, provided that there has been adherence to and compliance with, such plans and specifications, as approved, and the Association may require that the Owner(s) requesting any change under this Article be liable for any cost of maintaining, repairing and insuring the approved alteration. If such condition is imposed, the Owner(s) shall evidence consent thereto by a written document in recordable form satisfactory to the Association. Thereafter, the Owner(s), and any subsequent Owner(s) of the Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, are deemed to covenant and agree that the cost of maintaining, repairing and insuring such alteration shall be a part of the annual assessment or charge set forth herein, and subject to the lien rights described herein.

(c) Neither Declarant, nor any other member of the Association's Executive Board or Architectural Control Committee, shall be responsible or liable in any way for any defects in any plans or specifications approved by them, nor for any structural defects in any work done according to such plans and specifications. Further, neither Declarant, nor any member of the Association's Executive Board or Architectural Control Committee, shall be liable in damages to anyone by reason of mistake in judgment, negligence, misfeasance, malfeasance or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications or the exercise of any other power or right provided for in this Declaration. Every person who submits plans or specifications for approval agrees, by submission of such plans and specification, and every owner of any Lot agrees, that he or she will not bring any action or suit against Declarant, or any member of the Association's Executive Board or Architectural Control Committee, to recover any such damage.

ARTICLE VI EXTERIOR MAINTENANCE

SECTION 1. EXTERIOR MAINTENANCE. The Association shall maintain the Common Elements. Each Owner shall be responsible for the exterior maintenance of his or her dwelling and lot, as follows: Painting, replacement and care of roofs, gutters, down spouts, exterior building surfaces, lawn, trees, shrubs, landscaping, fencing, driveways, walks and other exterior improvements. In the event that the Owner neglects or fails to maintain his or her improved Lot and/or the exterior of his or her dwelling in a manner consistent with other improved Lots and dwellings within the Properties or fails to maintain his or her improved Lot in a safe condition and free of debris, the Association may provide such exterior maintenance. Provided, however, that the Association shall first give written notice to the Owner of the specific items of exterior maintenance or repair the Association intends to perform and the Owner shall have twenty (20) days from the date of mailing of said notice within which to perform such exterior maintenance

himself or herself.
